Larchmere Streetscape Project Receives Funding

The Larchmere Streetscape Improvement Project, Phase I has been awarded $587,041 from the Transportation Enhancement program of the Northeast Ohio Area Coordinating Agency (NOACA) following the NOACA board’s December 10th meeting. SHAD and the city of Cleveland are scheduled to complete engineering of the project in 2011, with construction slated to begin in 2012-2013 and to be completed within 12 months of the start date.

The project is a major effort to upgrade the Larchmere commercial district. It will enhance the commercial district with aesthetic improvements that also strengthen bicycle, pedestrian and transit access. It will have a major economic impact on residents and businesses within the Larchmere-Shaker Square community, as well as the entire Northeast Ohio region, by making the retail district safer, more attractive and economically competitive.

Additional proposed elements include:

- Enhanced, decorative crosswalks on Larchmere Boulevard at critical intersections (East 121st, 126th, 127th, 128th and 130th Streets).
- Planters and flowerbeds with raised edges at the curb bulb outs.
- Expansion of existing planter beds to incorporate additional plantings.
- Replacement of concrete sidewalks and curbs where they have deteriorated.

The project is Phase I of a larger streetscape redevelopment effort that also includes the N. Moreland intersection and gateway intersections.

Phase I will include the area between East 121st Street and East 130th Street (approximately). It includes the following proposed major elements: Enhancements to the pedestrian realm include the installation of bulb outs at intersection corners. Bulb outs will shorten pedestrian crossing distances and increase safety by improving the lines of sight between vehicles and pedestrians.

Film Festival Returns to Shaker Square

by Rita Kueber

The 35th Cleveland International Film Festival (CIFF) returns to Shaker Square on Tuesday, March 29th with a charming Italian film, Hayfever (Febbre Da Fieno), directed by Laura Luchetti.

Hayfever is the story of misfit Matteo and skater girl Franki who work in Stefano’s vintage shop. Dreamers and tinkerers, they are unable to organize their store or their lives, until the westerly breeze, the legendary “ponentino” that gives courage to timid lovers, brings along a young woman named Camilla who changes everything. With an indie soundtrack featuring music by Laura Marling, Devendra Banhart and Imelda May, this movie is presented in Italian with subtitles.

This special screening at Shaker Square Cinemas is part of an evening on the Square that starts with a pre-film reception from 5:30 pm to 6:45 pm at SASA (15120 Shaker Square). By 7:00 patrons should take their seats for the 7:15 screening. Patrons must have a Film Festival pass or Hayfever ticket for admission to the pre-party and the film. At 9:00 patrons can enjoy dinner specials at SASA or around the Square.

Complete information about the film festival, including the entire schedule and how to purchase tickets and vouchers, is available at www.clevelandfilm.org, or by calling 623.3446.

The Cleveland International Film Festival promotes artistically and culturally significant film arts through education and exhibition to enrich the life of the community. Last year CIFF had 71,554 patrons attend the 34th annual event. The 2011 film festival runs at Tower City Cinemas and several satellite locations from March 24 to April 3.

Shaker Square Area Development Corp. is proud to partner with the Cleveland International Film Festival’s special evening on March 29th.

Larchmere Master Plan moves ahead

A grant of more than $819,000 from the Federal Transportation Enhancement program of the Northeast Ohio Area Coordinating Agency has been awarded to support the Larchmere Blvd. Streetscape Improvement project. This very significant grant will be used for a number of streetscape improvements recommended in the Larchmere Master Plan update completed in 2009, Shaker Square Area Development Corporation (SHAD), working in conjunction with a committee comprised of Larchmere residents and merchants, leads the community-based process that resulted in the updated Master Plan. A guide, development in the commercial district. Proposed streetscape projects in the area between East 121st Street and East 130th include new lighting, landscaping, and decorative crosswalks. Later this year, several public meetings will be held to allow neighborhood residents and business stakeholders to provide input on desired improvements along the Larchmere commercial corridor. The Larchmere Streetscape Improvement project will build upon the generous financial support that has been provided by the Saint Luke’s Foundation during the past four years for key marketing and promotional activities as well as for wetland surveys, banners, and public art.

For the second year, Shaker Square Area Development Corporation (SHAD), will host a series of Home Improvement Workshops. The workshops are designed to provide important information about programs and technical assistance available to you to make needed repairs or improve your home’s curb appeal. During each workshop, representatives from the following organizations will be on hand to provide information and answer your questions about available resources to improve your home: Cleveland Restoration Society, Cleveland Action to Support Housing, Community Housing Solutions. I hope you will be able to join us for one of the upcoming Home Improvement Workshops. SHAD wants to help you maintain and increase your home’s value. As you know, making necessary repairs adds curb appeal and prevents further damage to your home.

The Home Improvement Workshop schedule follows:
Wednesday March 30th, 6:30pm to 8:30pm, Our Lady of Peace School, 12401 Buckingham
Wednesday April 20th, 6:10pm to 8:10pm, Greenfield School (formerly Lushford School), 14201 Southpond Place
Wednesday May 25th, 6:10pm to 8:10pm, Shaker Heights Metropolitan School (SHAD office) 421-2200 for more information or to register for one of the workshops. The workshops are free. We hope to see you there!

As the long winter draws to a close and thoughts begin to look toward spring, please consider getting involved in one of the many neighborhood associations or block clubs in the area. The Lushford Community Association meets on the third Tuesday of the month beginning at 7:00pm at Lushford School, 14201 Southpond Road. The Larchmere Community Association meets on the first Wednesday of each month (except January and July) at 7:00pm at Fairhill Partners, 12200 Fairhill Road.

Many exciting activities are taking place at The Intergenerational School (TIS) this winter and spring, including a working residency with visiting artist Bernice Davidson. Ms. Davidson is partnering with TIS students as well as local elders from Judson in the “Weave the River” project. This artistic endeavor will allow students and elders to learn about and create their own art that focuses on water and sustainability, with inspiration from the Duan Brook. Ms. Davidson will have her artwork on display at The Nature Center at Shaker Lakes this summer, and will also assist the students and Judson residents prepare pieces to be shown off at this summer’s Parade the Circle.

TIS is linking this project to another initiative in which Dave Harris of Tech 4 Life and Case Western Reserve University will be working with students to interview elders who either experienced or took part of the “Freeway Fighters” initiative in the 1960’s, which preserved the Shaker Lakes by preventing a highway from being built through the wetlands. These interviews and discussions will be compiled into a book entitled The Legacy of Clark Precyboth Fights which students will help complete.

Backyard Composting Seminar & Bin Sale – March 15

The Solid Waste Management District will be holding a Backyard Composting Seminar and Bin Sale in conjunction with River’s Edge ministry on Tuesday, March 15 at 1410 Rocky River Drive, Cleveland at 7:00 p.m.

The informative seminar is designed to teach county residents how to properly compost yard waste and food scraps in their backyards while offering low cost compost bins for sale. Backyard composting helps reduce the amount of organic waste sent to landfills while creating a healthy soil amendment that can be used in gardens and landscapes.

Registration is required. To register for this seminar, call 688-1111 ext. 251. These compost bins will be available for purchase the day of or check back.

• Wishing Well Composter - $40.00
• Ultimate Dirt Machine Digester - $50.00

The Cuyahoga County Solid Waste District will be holding additional seminars throughout Cuyahoga County during the spring and summer months. For a schedule, visit www.cuyahogawcd.org/en-US/Composting.aspx

Larchmere Porchfest needs musicians – and porches

Want to play on a porch this year? Porchfest 2011, which takes place on June 25, is currently accepting submissions from musicians. This one-day event features musicians of every genre performing on front porches throughout the Larchmere neighborhood from 2:00 to 6:00 p.m. A finale concert takes place on Shaker Square from 6:00 – 9:00 p.m.; all concerts and free and open to the public.

To be considered by the Planning Committee, musicians should email one or two MP3 files along with the band’s name, genre and contact information to porchfestsubmissions@gmail.com. The submission deadline is May 1, 2011. Not all bands who submit will be selected. Accepted bands will be assigned porches/time slots, which will be 10 – 45 minutes in length. If you would like to donate your porch or yard to host a musician or group, or if you would like to be a sponsor of Porchfest 2011, contact the Planning Committee at larchmeresporchfest@yahoo.com.

Cleveland's Most Unique Music Experience – Porchfest 2011

Porchfest launches its 3rd year with plans for 50 bands/musicians performing on various porches (residential and retail) from 2 to 6 p.m. between Shaker Boulevard West and Fairhill. From 6:00 – 9:00 p.m. enjoy a concert at Shaker Square. All events are free, family-friendly and open to the public.
The Shaker Historical Society (SHHS) is making plans for an exhibit titled: “A Very Square Affair.” The exhibit will feature the early suburban shopping center Shaker Square, and is scheduled to run from March to May, 2011.

Located on the border of the cities of Cleveland and Shaker Heights, the 80-year-old Shaker Square was built in 1927-29 by the Van Swearingen brothers in conjunction with the development of neighboring Shaker Heights. The style and design are American Colonial to conform to the domestic vision and style of the planned suburb of Shaker Heights.

Shaker Square is rich in history and tradition. Designed with wide, open spaces, a mix of business and served by the Rapid Transit System, it is one of the country’s original town centers. The Shaker Square stores were planned to appeal to the upper-class clientele of Shaker Heights and housed a great variety of businesses over the years, from realtors and fine dining restaurants to specialty clothing stores and professional offices. In 1976 Shaker Square, the oldest shopping district in Ohio and the second oldest in the nation, was listed in the National Register of Historic Places.

The Shaker Historical Society invites anyone with unique pictures, artifacts, visual references and memorabilia that relates to Shaker Square and is willing to loan to the SHHS for use in the exhibit to contact Ann Ciccarelli at 921-1201 or via email at ciccarelli@shakerhistory.org. NFS is located at 16780 South Park Blvd. in Shaker Heights.

OLP 6th Annual Run/ Walk for Peace

Our Lady of Peace Parish (OLP) announces its 6th Annual Run/ Walk for Peace on Sunday, April 10 at 9:15 am. The fun run/walk that begins on East 126th Street near Larchmere Blvd., continues west onto Shaker Blvd. to MLK Drive and returns to Our Lady of Peace. Walkers as well as runners are invited to participate in this non-competitive event. There will also be a Tot Trot, a run/walk designed for children ages K-3, on a much shorter course. Entrance fees are $10 for all participants and $5 for the Tot Trot. All participants will receive a Run/Walk for Peace T-Shirt.

The annual Run/Walk for Peace is an opportunity for the neighborhood to come together, with people cheering the runners and walkers along the route. Students especially enjoy the interaction with the Cleveland Police, who generously lend their support.

In the past five years, The Run/ Walk for Peace has raised over $5,000 to support the mission of Our Lady of Peace Church and School. Our Lady of Peace, located just west of Shaker Square, serves not only the parish community, but the neighborhood as well. Our Lady of Peace School recently became an Episcopalian parish under Bishop Lyke School-Our Lady of Peace Campus, part of a cluster of schools that serves students in a wider geographic area.

Registration will take place on Sunday, April 10th beginning at 8:00 a.m. After the run, participants and supporters are invited to enjoy coffee, refreshments, fruit and LaRoda chicken provided by the Parish Hall. There is no registration for the Run/Walk for Peace, contact James Cullen at 533-8804; or advance for the Run/Walk for Peace, at the Parish Hall. To register in advance for the Run/Walk for Peace, contact James Cullen at 533-8804 or on-line at www.OLPchurch. OLP is located at East 126th and Shaker Boulevard.
